Ratification II

Proposed by the Board of Directors

Case: The 2020 earnings distribution proposal is submitted for ratification.

- Explanation: 1. The undistributed earnings at the beginning of the period in 2020 was NT\$199,064,206 and the after-tax profits of 2020 was NT\$866,216,162. After adding the re-measurement of defined benefit plan converted into retained earnings of NT\$(486,657) and disposal of investments in equity instruments measured at fair value through other comprehensive gain and loss with accumulated profit or loss transferred to retained earnings of NT\$(9,082), the Company appropriated 10% as statutory surplus reserve NT\$(86,572,042), and appropriated special earnings reserve of NT\$(698,667) in accordance with laws. The earnings available for distribution for this period thus totaled NT\$977,513,920.
  - 2. The 2020 earnings distribution table is as follows:

## RichWave Technology Corporation Earnings Distribution Table 2020

		Unit: NT\$

Chairman of the Board: Dye-Jyun Ma Managerial Officer: Shih-Chi Wang Chief Accounting Officer: Wei-Che Hsu

Remarks:

- (1) Distribution of cash dividends shall be calculated to the whole dollar amount (amounts below NT\$1 are rounded off unconditionally). Any decimal figures below one NTD will be adjusted from the largest decimal figures to the small ones and then from the previous shareholder account numbers to the latest ones, until the total amount for the distribution of cash dividends has been distributed.
- (2) After the cash dividends are approved in the general shareholders' meeting, the Board of Directors is authorized to establish the ex-dividend date,

distribution date, and other related matters.

- (3) In the event that the number of shares outstanding are affected by changes in the Company's share capital, such that shareholders' cash dividend payout must be adjusted accordingly, the shareholders' meeting shall be requested to authorize the Board of Directors to make such adjustments at its full discretion.
- (4) The 2020 earnings shall be prioritized for the earnings distribution.

Resolution: The result is as follows:

#### **5.Discussions**

Discussion I Proposed by the Board of Directors Case: The proposal for the issuance of new shares through capitalization of the 2020 earnings is submitted for approval.

- Explanation: 1. To replenish working capital, the Company intends to appropriate and convert bonuses for shareholders totaling NT\$252,768,280 from the 2020 earnings available for distribution to capital increase and issuance of 25,276,828 new shares with a par value of NT\$10 per share.
  - 2. The number of new shares issued in the conversion of earnings to capital increase is calculated based on the shareholders and the number of shares held registered in the shareholder registry as of the ex-dividend date for the capital increase. 400 shares will be issued for every 1000 shares held. Distributions that amount to less than one full share may be grouped and allocated within five days starting from the ex-dividend date for the capital increase at the Company's shareholder service agency. Fractions of a share that cannot be grouped into full shares shall be paid in cash at the face value to the whole NTD in accordance with Article 240 of the Company Act. The Chairman is authorized to engage a designated party to purchase the fractional shares at face value.
  - 3. The rights and obligations of the shares newly issued are the same as original shares, and the shares shall be issued in non-physical form.
  - 4. After the proposal is approved by the shareholders' meeting and the competent authority, the general shareholders' meeting is requested to authorize the Board of Directors to set an ex-dividend date for the capital increase.

- 5. In the event that the number of shares outstanding are affected by changes in the Company's share capital, such that shareholders' cash dividend payout must be adjusted accordingly, the general shareholders' meeting shall be requested to authorize the Board of Directors to make such adjustments at its full discretion.
- 6. If any of the above-mentioned issues related to the issuance of new shares requires a change based on the approval of the competent authority or due to other factors, the general shareholders' meeting is requested to authorize the Board of Directors to process changes at its full discretion.

#### (I) 2021 Business Strategy

RichWave will uphold sustainability in its business strategy and focus on core business operations. We shall abide by regulatory requirements and change our business targets with flexibility in accordance with changes in the environment. With an experienced management team, we shall continue to maintain profitability and growth of the Company in a business environment with rapid changes.

#### (II) Expected Sales Volume and Its Basis

In 2021, RichWave shall continue to expand channels and expand the market scale and market share. Based on the current information we have obtained regarding the conditions and production capacity of customers, we plan to sell 15 to 24 million units. Due to the rapid changes in the market and trade environment, we shall closely monitor the market conditions to determine subsequent sales strategies.

## (III) Major Production & Sales Policies

The Company's production and sales strategy in 2021 will continue to focus on aggressive market development and expansion of customer base and application areas. With our core product design capabilities, we will continue to compete head-on with foreign companies with long-held market shares to create profits for both the Company and shareholders.

### (IV) Future Development Strategy

The mobile communication and wireless communication industry are expected to continue their rapid development in 2021. RichWave has launched a diverse range of products and created a comprehensive product line for WiFi 6 products. We expect RichWave to achieve continuous growth in the global WiFi RF IC market.

## (V) Impact of the External Competitive Environment, Regulatory Environment, and Overall Business Environment

(1) Impact from Exchange Rate Changes:

RichWave's sales revenue and procurement expenditures are mostly denominated in USD and we use foreign-currency assets to offset foreign-currency liabilities to achieve natural hedging. RichWave also closely monitors information on exchange rate changes and exchange rate developments in order to adjust foreign-currency assets and liabilities in accordance with developments in the global macroeconomic environment, exchange rates, and future capital demand. These measures are taken to evade exchange rate risks and reduce the impact of exchange rate changes on the Company's profit and loss.

(2) Risks Associated with Over-Concentration in Purchase or Sale and Response Measures:

RichWave's procurement is concentrated due to concerns in product quality and preferred purchasing price, though RichWave maintains at least two suppliers for its main materials avoid risks resulting from over-concentration in purchasing. In addition, the concentration of RichWave's sales is mainly due to the distributors' sales to customers in Taiwan and China. To mitigate the risks of over-concentration of sales, RichWave also actively develops customers with long-term cooperation and carefully selects customers of excellent financial background to lower the risks of over-concentration of sales.

(3) The Impacts of Changes of Important Domestic and Foreign Policies and Laws on the Company's Finances and Business, and the Countermeasures:

RichWave complies with all related domestic and foreign laws and regulations in day-to-day operations and continuously pays close attention to domestic and foreign policy development trends and changes in legislation to fully understand changes in the market environment. Therefore, the Company's finance and business have not been affected by major changes in government policies and laws at home and abroad in the most recent year.

(4) Overall Business Environment

RichWave continuously monitors technological changes and developments in the industry and quickly gains information on industry developments. RichWave continuously enhances its R&D capabilities, applies for patent protection for various innovative concepts and design developments, and actively expands future market applications to counter the impact of technological changes and industry changes on the Company.

Finally, RichWave's management team would like to thank the shareholders once again for the long-term support and we hope that they can continue to provide encouragement and information in the new year. RichWave will also continue to uphold our mission for maximizing profits for shareholders.

I would like to wish all our shareholders good fortune and health.

Chairman of the Board: Dye-Jyun Ma President: Shih-Chi Wang Chief Accounting Officer: Wei-Che Hsu

#### **INDEPENDENT AUDITORS' REPORT**

The Board of Directors and Shareholders Richwave Technology Corp.

## Opinion

We have audited the accompanying consolidated financial statements of Richwave Technology Corp. and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2020 and 2019, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2020 and 2019, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### **Revenue Recognition**

According to auditing standards in the Republic of China, there is an inherent risk of fraud in revenue recognition. Management may be under pressure to achieve their targets and attempt to inflate sales figures. In the current year, the shipments of the Group exceeded the original credit limit given, and the shipments were approved by means of temporary credit limit, giving rise to the risk of inflated sales. Therefore, revenue recognition has been identified as a key audit matter for the year ended December 31, 2020. In response to the aforementioned key audit matter, we understood the Group's internal controls on the approval of sales orders and its delivery procedures, tested the operating effectiveness of these controls, selected samples of and tested

the validity of occurrence of the sales transactions, checked for discrepancies between the counterparties of the sales transactions and the parties paying off the receivables, as well as for abnormalities in the payments received after the reporting period. For the accounting policies on revenue recognition, please refer to Note 4 (12) of the consolidated financial statements.

# Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

## Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated

financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Cheng-Chih Lin and Tung-Hui Yeh.

#### **INDEPENDENT AUDITORS' REPORT**

The Board of Directors and Shareholders Richwave Technology Corp.

## Opinion

We have audited the accompanying parent company only financial statements of Richwave Technology Corp. (the "Company"), which comprise the parent company only balance sheets as of December 31, 2020 and 2019, and the parent company only statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the parent company only financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the accompanying parent company only financial position of the Company as of December 31, 2020 and 2019, and its parent company only financial performance and its parent company only cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

## **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the parent company only Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent company only financial statements for the year ended December 31, 2020. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. The key audit matter of the Company's parent company only financial statements is described as follows:

#### Revenue Recognition

According to auditing standards in the Republic of China, there is an inherent risk of fraud in revenue recognition. Management may be under pressure to achieve their targets and attempt to inflate sales figures. In the current year, the shipments of the Company exceeded the original credit limit given, and the shipments were approved by means of temporary credit limit, giving rise to the risk of inflated sales. Therefore, revenue recognition has been identified as a key audit matter for the year ended December 31, 2020. In response to the aforementioned key audit matter, we understood the Company's internal controls on the approval of sales orders and its delivery procedures, tested the operating effectiveness of these controls, selected samples of and tested the validity of occurrence of the sales transactions, checked for discrepancies between the counterparties of the

sales transactions and the parties paying off the receivables, as well as for abnormalities in the payments received after the reporting period. For the accounting policies on revenue recognition, please refer to Note 4 (l) of the parent company only financial statements.

# Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the parent company only financial information of entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements for the year ended December 31, 2020 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Cheng-Chih Lin and Tung-Hui Yeh.
